March 23, 2020

To our valued members:

Governor Eric Holcomb issued a “stay at home” order from March 25, 2020 until April 7, 2020 to help slow the progression of the COVID-19. Therefore, we will be closing the lobbies of both of our locations while the “stay at home” order is in effect and making them by appointment only.

Please rest assured, we are and will be **open**. We want to comply with social distancing, and make sure that our offices are constantly being thoroughly cleaned and disinfected to insure the protection of our employees and our members.

If you are unable to make an appointment, you may still access your funds through an ATM or by visiting a shared branch location. A list of sur charge free ATMs and shared branching locations can be found by visiting [www.allCO-OP.org](http://www.allCO-OP.org).

We will still be available by telephone, so please call our main office at 317.923.4747 to schedule an appointment, order a debit card, apply for a loan or ask general questions.

Thank you for your patience as we navigate these unprecedented times.

Sincerely,

Jennifer Mulligan  
CEO
